※The JNR will only sell or buy trains at the printed cost on the train card.  
※The JNR will only buy permanent train.

The following rules are applied if JNR issued stocks more than 200%.

※Dividends of shares in the initial offering are paid to the company's treasury.

※The president must declare withhold earnings if total of income and treasury are lower than the dividend.

※Even if earnings are withheld, stock prices do not change.

※Players can sell JNR shares over 50% to the open market.
